e-mail: helen@ovregaard.com

Professional Education:

1982.-1988: Norwegian School of Veterinary Science, Oslo
Licence to practice veterinary medicine

Working experience after graduation:

2013- present: Practice manager and practicing veterinarian at AniCura Askøy Dyreklinikk (13 employees, 5 vets)
1990-2013: Owner, manager and practicing veterinarian at Askøy Dyreklinikk

- 1990: Askøy, Bergen: Started my own practice on Askøy (outside of Bergen), Norway.
- 1989-1990: Combined large animal practice, food safety and hygiene, and small animal practice, Senja, north of Norway
- 1988-89: Large animal practice , Gjøvik, Norway

Continuing education and training (of profound character):

- 2005-2008: ESAVS Small animal Reproduction I, II and III
- 2008: Short residency (2 weeks) at ENVA, Paris, with Alain Fontbonne
- 2009-2011: ESAVS Dentistry I, II and III
- 2011: ESAVS EVT courses cardiology and oncology (May)
- 2011: ESAVS EVT courses: Internal medicine and emergency Care (Dec)

Other responsibilities:

- From 2007: Board member of the Norwegian Society for Animal Identification (Dyreidentitet) Vice-chairman from 2012.
- From 2014: Board member of The Norwegian Veterinary Society
- From 2015: Responsible for AniCura's Medical interest group of Reproduction

Memberships:

- Norwegian Veterinary Association
- Western Norway's Veterinary Association
- Norwegian Small Animal Veterinary Association and FECAVA
- Swedish Association for Small Animal Reproduction
- Since 2008: EVSSAR member

Motivation:

During the years since I finished the three ESAVS courses in reproduction, I have had great pleasure in attending the yearly EVSSAR congresses (every year, except one). It is always very nice to meet colleagues and good friends, and to learn what is new in the field from our great lecturers and researchers.

As a general practitioner with a special interest in reproduction, I would like to offer my contribution to this friendly EVSSAR “family”.
