**Final Call for Abstracts – Deadline is April 14<sup>th</sup> 2017!**

**Dear EVSSAR members,  
Dear colleagues,**

**The 20<sup>th</sup> EVSSAR CONGRESS  
will be organized in Vienna (Austria) from June 29<sup>th</sup> to July 1<sup>st</sup> 2017**

This year's scientific program topics include ethics in small animal reproduction, fertility and infertility management and contraception in dogs and cats, but also the most recent findings in biotechnology including stem cells and cloning, all presented by international specialists.

In addition, the ECAR session is a great opportunity for all ECAR residents who want to present their scientific results!

**The FINAL deadline for abstract submission is April 14<sup>th</sup>, 2017.**

**There is a special early bird registration fee, and hotel rooms available for a reduced congress participant price offer.**

The Scientific Committee of the 20<sup>th</sup> EVSSAR Congress invites all veterinarians and scientists to submit abstracts for oral and poster presentations in small, laboratory, wild and exotic animal reproduction. All delegates are encouraged to submit abstracts, clinical case reports as well as basic and clinical research, which will be reviewed by the Scientific Committee. **Please submit your abstract online:** <https://evssar2017.exordo.com>.

All details regarding the Congress can be found at  
<http://www.evssar.org> or <http://www.ivis.org/EVSSAR/2017/>

**We all are looking forward to a special Scientific program and great festivities as we will celebrate EVSSAR's 20<sup>th</sup> anniversary!**

**We hope to meet you all in Vienna!**
