**Dear EVSSAR Member,
Dear Colleague**

**The 21st EVSSAR CONGRESS
will be held in Venice (Italy) from June 22nd to 23rd 2018**

We have a great pleasure to announce that the EVSSAR congress 2018 will be held in the beautiful city of Venice, Italy! The congress venue is the Congress Center Terminal 103 at the beautiful harbor site, only 500 meters away from the Piazzale Roma, close to the historical city center.

Speakers from different specialist fields will present the latest news about new developments in the field of small animal reproduction. Hot topics of 2018 will include recent developments in infertility control, reproduction in ferrets and exotics, fertility problems in male and female dogs, reproductive disorders in aging animals, health management in kennels and catteries, parasitic diseases and genetic tests. Some more specific sessions will focus on topics such as biotechnology and challenges in teaching small animal reproduction medicine. In addition, we will continue discussing ethics in the field of small animal reproduction.

The deadline for abstract submission is March 16th, 2018.

The Scientific Committee of the 21st EVSSAR Congress invites all veterinarians to submit abstracts for oral and poster presentations in carnivore, laboratory, and exotic animal reproduction. Abstracts can be related to clinical and fundamental research, including doctoral thesis, laboratorial trials, retrospective studies, case reports etc. All delegates are encouraged to submit abstracts which will be reviewed by the Scientific Committee. Selected abstracts will be presented as short communications and some authors will be invited to submit a full manuscript for publication in a peer reviewed, scientific journal (Reproduction in Domestic Animals).

Please submit your abstract online - The link to access the system is:
